## The very best in reference... now even better

The new **Oxford Reference Online: Premium Collection** enhances coverage of the multi-award winning *Core Collection* with a range of leading works from the *Oxford Companions* series, plus the *Oxford Dictionary of Quotations*.

### A vast online reference library...

The new *Premium Collection* includes:

- ◆ Over 100 authoritative quick-reference titles covering the full subject spectrum – everything from the humanities and social sciences to science and medicine, and from business and finance to law and computing.
- ◆ English and bilingual dictionaries.

PLUS

- ◆ Over 50,000 in-depth scholarly articles from titles in the acclaimed *Oxford Companions* series.
- ◆ All 20,000 quotations from the *Oxford Dictionary of Quotations*.

Subscribers to the *Premium Collection* will also benefit from excellent new search functionality.

Updated 3 times a year with new and revised titles, **Oxford Reference Online** is continually developing and expanding.

### The best names in reference...

**Oxford Reference Online: Premium Collection** brings together for the first time the work of internationally-renowned authors, editors and contributors, including:

- ◆ Margaret Drabble on *English Literature*
- ◆ Ted Honderich on *Philosophy*
- ◆ Colin Blakemore on *The Body*
- ◆ Stanley Wells on *Shakespeare*
- ◆ M.R.D. Foot on *World War II*

### Information you can trust...

Oxford has an unrivalled international reputation for the authority and reliability of its publishing programme. Every work has to be approved by experts, and all undergo quality checking by Oxford's team of editors. So you can always rely on **Oxford Reference Online** to provide you with the highest quality reference resources.

### Designed for users by users...

**Oxford Reference Online** has been developed in partnership with a wide range of librarians, academics, teachers, and students in many countries, to ensure that it meets the needs of users in terms of content, design, and functionality.

The result is that searching for information – whether it is a quick definition, a detailed explanation of a complex term, or a scholarly reference article – is both quick and easy.

### An expanding, regularly updated resource...

**Oxford Reference Online** is continually developing. Many new titles and new editions have already been added to the *Core Collection*, and the launch of the *Premium Collection* extends the range and coverage further with the addition of major reference works.

### Breadth of scope, depth of knowledge...

Combining quick reference coverage of the full subject spectrum with the rich resources of the *Oxford Companions*, **Oxford Reference Online** offers extraordinary breadth and depth of coverage.
